

Dear Pastor, Youth Pastor and/or Book Store Manager,

You are invited to become a part of a new concept in Christian ministry apparel. JCCYL® is a Christian clothing and accessory line that is also a cool ministry tool. Our items have a screen-printed or embroidered JCCYL® logo. When people see it, they will ask, “What’s JCCYL®?” This is when you have the opportunity to tell them, “Jesus Can Change Your Life”. This opens the door to a ministry opportunity.

The name of our company is JCCYL Forever, LLC and the JCCYL® logo is our registered trademark. We are a Colorado company that is just getting started. We are committed to providing quality apparel and friendly service at a competitive price. We carry something for everyone. We have experienced the Lord working through the exciting response we get at concerts and conferences where we have had the opportunity to sell our products.

Please consider selling our products in your church book store, inviting us to sell our clothing before or after a service or allow us to share our ministry with your congregation or youth group in person. We can also print your youth camp, mission trip and sports team’s shirts at competitive prices. You can check out the JCCYL® gear at our web site - [www.jccyl.com](http://www.jccyl.com). For wholesale prices and discounts please email us at [info@jccyl.com](mailto:info@jccyl.com).

God bless you and your ministry. We look forward to hearing from you soon.

In Christ,  
John M. Norris, CEO  
JCCYL Forever, LLC
